

One Night In Vermont

© Words and Music by Markeisha Ensley

Verse 1

One night by the fireside
It was summer in Vermont
That's where I gave you my heart
The night I fell in love with you
The moment I knew
That I would marry you
I found my missing piece
You're the one for me

Chorus

Ooo, you're everything that I've ever wanted
Ooo, you're everything that I'll ever need
Ooo, when I hold you in my arms
I remember one night in Vermont

Verse 2

You're my perfect brunette
Always making me laugh
I'm so blessed to have you
And all that you are
You gave the world to me
On that summer evening
When you said you'd share your life with me

Chorus

Ooo, you're everything that I've ever wanted
Ooo, you're everything that I'll ever need
Ooo, when I hold you in my arms
I remember one night in Vermont

I found my missing piece
You're the one for me

Chorus

Ooo, you're everything that I've ever wanted
Ooo, you're everything that I'll ever need
Ooo, when I hold you in my arms
I remember one night in Vermont
