

Dance With Me Tonight

© Words and Music by Markeisha Ensley

Verse 1

Look at you standing there
You're beautiful, a flower in your hair
My one true love for eternity
You're an angel on earth sent down just for me
They're playing our song, won't you please
Take my hand and follow my lead

Chorus

Dance with me tonight
I wanna feel your heartbeat next to mine
I've been waiting for this moment all of my life
Dance with me tonight

Verse 2

Our bodies touch, fingers entwine
The world melts away as you hold me tight
Breathing as one, the music swells
I close my eyes slowly exhale
We've made a vow sealed with a kiss
My heart's never known a sweeter bliss

Chorus

Dance with me tonight
I wanna feel your heartbeat next to mine
I've been waiting for this moment all of my life
So I give you all of me
You're everything I'll ever need
All I wanna do is love you for the rest of my life
Dance with me tonight

Bridge

With each step we take
Sweet love we make
This dance was worth the wait
For I know in loving you
I've come home

Chorus

Dance with me tonight
I wanna feel your heartbeat next to mine
I've been waiting for this moment all of my life
So I give you all of me
You're everything I'll ever need
All I wanna do is love you for the rest of my life
Dance with me tonight
