

Dance With Me Tonight

© Words and Music by Markeisha Ensley

Verse 1

Look at you standing there
You're beautiful, a flower in your hair
My true love for eternity
You're an angel on earth sent down just for me
They're playing our song, won't you please

Chorus

Dance with me tonight
I wanna feel your heartbeat next to mine
I promise to love you for the rest of my life
Dance with me tonight

Verse 2

Our bodies touch, fingers entwine
The world melts away as you hold me tight
The music swells, we breathe as one
We sway to the sound of a new day begun
I've waited so long for this moment to come (A lifetime of bliss, sealed with a kiss)

Chorus

Dance with me tonight
I wanna feel your heartbeat next to mine
I promise to love you for the rest of my life
Dance with me tonight

Bridge

You're everything that I'll ever need
I give you all of me
(*Cause) I know in loving you
I've come home

Chorus

Dance with me tonight
I wanna feel your heartbeat next to mine
I promise to love you for the rest of my life
Dance with me tonight
